When are you online for the test? I see your site is back online but can never catch anyone online for the test

Lycoso - October 18, 2011, 9:20 am

Can you shot down some DDos protected sites? Something like Dragonara.net Ddos protection type of sites? Please reply!!

Xeant - October 18, 2011, 1:25 pm

Certainly i could try. Please visit the website in 8 hours time. I'm currently at work ATM. I will be online for another 30-50 minutes.

Live Chat Online.

WEBSITE CURRENTLY DOWN. GOING UNDER A NEW NAME. PLEASE PM ME FOR PRIVATE DDOS SERVICE. NEW POST SHOULD BE UP SOON "XAVEWARE"
