Pretty unique, nothing that hard, but I'm downloading it to check out what you did to it.
Great execution.

Anytime.

Maybe we can collab on an LP sometime?

I'd love to see some more of your large arts.

I'm sorry, whats a LP? is it Large Project?

I'd love too, but this pc is very slow, my old one broke, so im saving up for a new one

this is like 767mb ram dual core, 2.16ghz

takes like 10mins just to load photoshop up :(
