Thread: [Reward member that are doing well](#)

Bamfon - October 20, 2011, 2:51 pm

[IMG]<http://hfimage.net/images/3poc2kq7owgx81effa40.jpg>[/IMG]

Here at AA we like to reward members for posting HQ, and helping other members.

So every month we are going to l33t/u3br, a member of AA, that had been helping the community.

If you think someone should get l33t or u3br post below using.

Code Person user name

Reason why you think the above named user should get it:

OncleSam - October 20, 2011, 5:08 pm

this is a very good idea! :D Ill try to spot the AA members, Although I am not apart of this.

ven0m - October 20, 2011, 10:13 pm

idk most of the members i know is ub3r/l33t

i will see who i can find.

No offense, but you've made 8 posts within AA. I don't think you'll be able to spot the HQ members.

Ryan' - October 21, 2011, 5:48 am

To be honest, it's only upgraded members that I see contributing to AA.

Nice idea, original poster. Hopefully it'll encourage more members to contribute!

Okazaki - October 21, 2011, 5:54 am

cutyoutree has been active in AA a long time and is till a normal member :o

Ahh thanks bro though you only yesterday found out who cutyoutree is.

Much (Yaoi) love.

But diceofdeath is also pulling his weight around making a VN and such.

Nah man, I do not think I deserve it, I am just doing what I like,

Also, I havent made any threads lately.

And for the VN, I have a week now to typethe story into word,

But the VN will most likely not be created, As the person doing CG's was experiencing heart Failures lately, And, His condition is worsening...

I still think you're HQ doing that and all. So my two cents.

Ice Queen - October 21, 2011, 9:22 am

I'm still new but diceofdead really posts almost every day and like it or not you did help some people.

Bamfon - October 21, 2011, 10:17 am

Already know diceofdeath IS HQ, and already brought L33t for him before I even posted this thread :D, he will turn L33t in 24 hours or so

Kina - October 22, 2011, 11:10 am

This is a great idea, hopefully inspires more people to get HQ.

oneechan - October 22, 2011, 11:15 am

Username: Tails-chan and/or Shana

Reason: Because I love him and he loves me. Both of them have been in AA for a while now and they have continually tried to stay active and HQ in my eyes. Plus, I'm not sure who else deserves it to be honest. XD

Sir Neko - October 22, 2011, 11:51 am

I deserve to be UB3R, so make me, biatch.

Zimton - October 22, 2011, 1:47 pm

I don't really know, most people in AA are ub3r, or l33t. >_> But i would say djakariuz, or Okazaki.

Reason being there bosses on skype, and good members of HF.

Ui Hirasawa - October 22, 2011, 2:26 pm

Upgrade me to staff and we'll see how nice you are.

Why is my name distasteful T.T

But I guess I can change it someday next year or not or maybe idk maybe ok MAYBE.

EDIT: Unless you don't mean my name though Emox3 is quite a good name imo.

Tasemu - October 23, 2011, 5:24 am

I meant emo's.

I dont like emo's, and they always use x in their name.

Bamfon - October 23, 2011, 10:23 am

cutyoutree Is the next member this month to get L33T, picked him over emo3x because of his high post count, and the amount of good threads he has post.

Sejskaler - October 24, 2011, 4:54 am

I must say, i do not really like the idea...

OFC, it is somewhat a good idea that being member, and contributing here, will get a reward, but wouldnt this somewhat get the wrong persons?

There would maybe come people that are not even into anime, that would be quite bad...

So i must say, i am quite sceptic about this idea.

HQ is different for different people, so I raise a question, who would be the judge about is HQ and who is not? I know for a particular event the members are, but that doesn't mean he is HQ to everybody.

Also to measure somebodys quality, you need to actually look thro most of his posts, not the few somebody has seen.

All I have seen from him is flame about mainstream anime, that doesn't make his high quality in my eyes.

I beg to differ. His postcount is quite low and he hasn't really made alot of interesting threads. And most of his rep is from the AA chat which isn't necessarily a bad thing.

I say not now, get some more posts.
