Thread: [?FREE SERVICE? Crypt-Server | Setup-RAT | Portforwarding ?FREE SERVICE?](#)

Dubbeltyee1 - October 25, 2011, 2:15 pm

[b]Hello guys,?

Because many people need a crypted server or help with setup a RAT/Portforwarding thats why i will give a service.

Servers that can be crypted:

- *Darkcomet
- *Cybergate
- *Blackshades
- *Spynet
- *DDoser
- *Dark Ddoser
- *iStealer
- *ATT Worm
- *XR Hostbooter
- *All .net apps
- *And more

Features:

- *Startup
- *Auto USG
- *Hide File
- *Anti sandboxie
- *Disable regedit
- *File binder
- *Assembly changer
- *Icon changer
- *FUD scantime + runtime

I dont ask a small refund for this.

I do this because i want to help people:)

FREE FOR ALL MEMBERS for crypting a server.?

FREE FOR ALL MEMBERS for setup RAT.?

FREE FOR ALL MEMBERS forward some ports.?

The service will go through TeamViewer

PM me if u need some help

Or add me on msn
