Thread: [Wouldn't Mind some Black Hat Affiliates](#)

I have recently started an affiliate program for my store, and I'm just putting it out there that I would not mind some black hat affiliates.

I really don't care how you promote the site, I just care about making sales.

I pay \$10 per sale, and if you recruit other affiliates I will give you \$2 for each sale they bring in.

To signup go to <http://www.thestealthypanda.com/affiliates>.

Look forward to seeing some HF members there. ?
