Thread: [Free Skype credits \(Again\) \(dont miss out\)](#)

**Salman Khan** - November 3, 2011, 1:32 am

Hi friends here is a new way to get skype credit (unlimited)<use your brain to make it unlimited>and also tell me ?

By using Hotspot shield

Code <http://skype.hotspotshield.com/banner.php>  
just click on above link by using hotspot shield vpn ?

Hurry UP ?

**Ruhat** - November 3, 2011, 4:05 am

Yo, thanks for this.

It really worked i did this with three computers and i got three vouchers.  
Someone please if you know any trick that can make this unlimited i would appericiate it very much!!

Explain, pretty please :P ?

Quite interested, going over seas.

**x-x** - November 3, 2011, 5:30 am

that vpn is paid one :( i check their site its asks for \$\$\$\$ :D hidemyass.com

**st34mz4sale** - November 3, 2011, 5:31 am

awesome very amazing didnt try yet but i am sure it works <3 gotta wait till i get home from work to get this

**B\_r001access** - November 3, 2011, 5:33 am

each time, i got the message you are not connected to hOTSpot server :P

**Skilledthis** - November 3, 2011, 5:45 am

Awesome! Thanks man this worked quick, and easy.

**Ragheb** - November 3, 2011, 5:46 am

go to [www.skype.com](http://www.skype.com) and login and paste the code in there..

**d3tox????** - November 3, 2011, 10:56 am

Thanks this worked for me,I will be doing this alot.

**BlueYoshi** - November 3, 2011, 11:31 am

How do I do this more than 1 time?

Hotspot Shield VPN isn't paid. Its a free program that can be upgraded for more privacy. So, I think anyone would be able to get the free voucher, and if anyone upgrades they get 2 hours free calling.

**Daavid** - November 4, 2011, 6:54 am

I have tested to use ProXPN and web proxy and [censored] VPN but no luck :/ have someone found out a way to make this unlimited? without hidemyass paid software.

**GodZake** - November 4, 2011, 8:40 am

yea i also dont know how to make it unlimited help anyone ?

**Jinu** - November 4, 2011, 10:30 am

I'll try this out!! thanks in advance dude!!!

**paya123** - November 4, 2011, 10:40 am

It works, thanks mate! Does anyone know how to abuse this to get unlimited credits? Thanks in advance :)

**BullFighter** - November 4, 2011, 2:00 pm

Thank you very mutch!

I have 2 PCs so I took 2 of them. But I thint it would be easy to harass it and get as many of them becouse it looks primitiv?

**-DMT-** - November 4, 2011, 2:32 pm

Ill stick to the facebook emthod but thanks

**fent96** - November 5, 2011, 12:02 pm

Thank you. I got 1.2 euro :D

Try to get one more :D

**undeadkorean** - November 5, 2011, 12:37 pm

Completely Works. Vouch.

I can now make those long distance phone calls to my relatives =D

**ocean-seven** - November 13, 2011, 12:29 am

ok so i will try , and post again with a mini tutorial if it works it only worked once... i tried what you guys said but it didnt work , i am going to try another thing ok so , i tried with "ipjetable/yopmail" to make a new ip on the computer doesnt work either...

**techiekaran** - November 13, 2011, 2:59 am

Is this about using the FB application?

If yes, then this doesn't work, at least for me.

**juppe** - November 13, 2011, 3:34 am

When you do this in different virtual machines (virtualbox, vmware) then you can get much codes, tested it.

**ocean-seven** - November 16, 2011, 2:03 pm

well you need a lan cable connection i have wireless If you can do a video tutorial that would be great!

**firaaun** - November 16, 2011, 10:07 pm

Site temporary down :( :( Bad .... I am always late :(

**andrei042795** - November 18, 2011, 1:11 pm

Indeed, the site is down, not sure if it will come back up again ://

**Salman Khan** - December 19, 2011, 10:58 pm

This Trick Is Stop Forever as per Most Of the Fake Forums and Blogs Copied Trick for Here :( but as per i posted earlier so think that u collect many Euros in your account as i have 300 Euro and 1 Year Unlimited Subscription in my Account :)

bro. this is blocked...

after that i make 1 bot also which generates 1 code in 20 sec. but HF thinks that it was a KL so remove that but i used it well and other copy-pastes also but it also blocked now ???

**Error001** - December 20, 2011, 2:15 pm

Explain this

"Temporary unavailable"
