Vexna - November 11, 2011, 1:09 pm

Regardless of your mood, I think you made a good choice, a lot of kids on here look up to you and perhaps now will realize you are just a man and not a automated service that can fix everything at click of a button.

Fish seriously ? Lol, I so expected American bull dog or something tough ?.

H??????a X™ - November 11, 2011, 2:45 pm

Great way to be blunt about it, lmao. Good on ya for providing the interview but it wasn't exactly fun, in all honesty. Questions asked weren't great and answers provided to the ones that were asked weren't great. Just my opinion... ?

Felt a bit sorry for Sir. If Omni didn't want to do it then he shouldn't have done it as he seemed disinterested. I think Omni could have been a bit more enthusiastic considering what the members do for this site.

Good work though Sir.
