Very simple guys, choose a number between 1-10, and you win a Facebook Account with the following details:

Friends: 447

Photos: 78

Gender: Male

Age: 21

Location: Canada

1

2

3

4

Good luck to everyone!

Edit: Requirements are:

Must have been a member of HF for at least 6 months

Must have no negative rep

Since no other applicants I guess adampelletgun wins, since he met the requirements and applied for the contest. Congrats sending you the details via PM. Enjoy :)

I'm sorry fortune I gave this contest some time and there weren't any applicants besides adampelletgun who met the requirements so I ended the contest and declared him the winner :(but I'm hosting other giveaways!
