I like this more to the New Era Theme because I think white themes are much more professional, good job there !

MOD3M - November 17, 2011, 9:45 am

As I did not see this post, for the official sales of this theme. I'm glad you were able to make it a full payed theme. I will be happy to buy it once I get some money. :)

Perplexity - November 17, 2011, 10:16 am

Vouch for Trinity, trusted and legit guy :3
Good luck with sales.

Glad to hear it MoD3M,

And i plan after 2 weeks to up the price so only those who really, really want it will get it, and also will stop it being Everywhere on hf used by everyone :P

Thanks for the support man.. :)
