Thread: [\[eBook\] How To Become A Genius. \[/eBook\]](#)

Conch - November 17, 2011, 7:47 pm

Hi Hackforums.

Not exactly Hacking, but in order to hack, you must be witty and have an intellectual thought. This book will teach you ways to use your brain and to train it. Really good book. ?

Code How to Be a Genius: Your Brain and How to Train It

DK
John Woodward
2009
English
ISBN: 0756655153
192 pages
PDF
80.7 MB

This incredible book tells you how the brain works, how it helps you survive in the world, and how it makes you the person that you are. You can study the different functions, areas, and states of the brain, and at each stage, there are cool games, quizzes, puzzles, brain teasers, and more! The activities show readers how their brains can work even better, making this a challenging, informative, and practical book; the only one of its kind on the market.

Please say thanks. ?

jacklong97 - November 17, 2011, 7:48 pm

you mean literally be a genius? If it's then this is a great book nice!

Conch - November 17, 2011, 8:32 pm

Thanks for the comment Jacklong97 :)

I have only read a bit of it, but it looks really interesting, so thought I would share it.

Mediafire added :)

Valour - November 17, 2011, 8:49 pm

Oh I need to try this :P Hope it will help me score well in exams ? Thanks for this book. Next time

remember to post the ebooks in the ebooks section :)

Dark Emperor - November 17, 2011, 8:51 pm

this looks really interesting im going to download this right now

WTFMatin - November 17, 2011, 9:05 pm

Look cool might check it out

Maybe drop out of school if i get really smart lol

Falo - November 18, 2011, 8:14 am

Really nice ebook. Thanks for sharing with us :).

Please say thanks. ?? many thanks man

darkduchess - July 16, 2016, 11:54 pm

Actually I have the hardback copy of a book called "how to be a math genius" - looks to be from the same people. My idea was also to teach my daughter from it when she became old enough. it's good to start kids early to train their brain

I thought the math book provided good illustrations in an easy to digest format. I can't vouch for this book but I think it will be of similar usefulness regardless of age. Especially if you don't feel like a genius.

Also, why does the OP have closed account? Well thanks for sharing...Lol

spider757 - October 18, 2018, 10:17 am

nice dude good information this is very used full information and again thanks

.....

secretsnow - October 20, 2018, 1:40 am

Thank you very much. Appreciate it.
