Thread: [Ridiculously Cheap Xbox Live/PSN Gift Cards](#)

Stucko33 - November 19, 2011, 10:57 pm

Some friends of mine ordered from here, said it was legit and the prices are insanely low! I just ordered 1 Year Membership and the seller said he would e-mail me the codes within the next 2-3 days. Just thought I'd share, but the only suspicious thing is that it's a Weebly site. Oh, well here's the link: <http://cheapgiftcards.weebly.com/home.html>

I don't want to trust them since they can't even afford a .com.

badlyfar - November 19, 2011, 11:01 pm

Yeahhhh it's probably not legit. Has shit grammar for all descriptions...

Big Baller Shot Caller - November 19, 2011, 11:03 pm

I really want the PSN \$50 code for \$8.. Too good to be true.

The worst attempt on a scam. I can't stop smh. Cant afford a domain and the prices are way off. smfh.

I'll buy it when the OP can prove it.

If its 50 for 8 Dollars, how about you buy me one and i'll pay you 16 for it?

Seems like a decent profit for you.
