Thread: [\[FREE\] SSH TUNNELING ALL MEMBERS!!! \[FREE\]](#)

RurouniX - November 22, 2011, 5:37 am

Well this is my first giveaway...

So I'm giving a ssh for tunneling with working list...

Spoiler [\(Click to View\)](#)

The List:

Spoiler [\(Click to View\)](#) Code root:admin:83.146.241.173

root:admin:83.146.241.174

root:admin:83.146.241.171

root:admin:83.146.241.168

root:admin:83.146.241.177

root:admin:83.146.241.169

root:default:83.96.127.132
root:default:83.96.127.54
root:default:83.96.127.102
root:default:83.96.127.103

NOTE: If anyone don't know how to use this list for ssh tunneling feel free to post here or send me a PM, I'll be glad to help.

Fave fun...

YUGOBOSS - November 22, 2011, 7:19 am

Wow, works perfect, many thanks for this :)

z30n1c - February 2, 2012, 2:32 pm

dont get what the user / password is?

forget that i was being a moron. thanks for this great

Code_Spent - October 2, 2015, 11:31 am

Excellent share! Thanks, and good luck in my contest. :) This contribution puts you on the list.
