The people of the world can once again rejoice, your king has once again found an anime the is just fab.

What anime is this may you ask well, it is the one the only Romeo x Juliet.

As a fan of shakespeare i thought this was gonna be embarrassing to watch. Some kind of bs remake of Romeo and Juliet but no.

This anime is wodnerfull oh how i love it, it's go the basic story line of shakespeare play but with added twists putting in what i lvoe about anime mixxed with mwat i love about shakespeare

oh this anime is just da best.

enough siad

As evil takes over the world humanity falls further into the abyss between good and evil. I shall be the one who pulls humanity out and lead man to the path of righteousness. I Charismatic will destroy the world and create a new.

Considering that^^ I believe you are right and Ill check it out. Thanks bro.

Look here people!!!

This man embraces the fuhrer.
He shall be rewarded soon.

All heil Charismatic.

I watched this a long time ago, it is quite similar to the original, except for the flying ponies and the giant ass tree. It's still a good watch though, and I enjoyed it.
