Thread: [Fright Night \(2011\) and Immortals \(2011\)](#)

General Stalin ? - November 27, 2011, 12:34 pm

I just watched Immortals 2011 and Fright Night 2011.

Immortals trailer: [Video: <http://www.youtube.com/watch?v=7VdONYkKFmQ>]

It was a good film but I cannot say excellent. Rating is 7/10.

Fright Night trailer: [Video: http://www.youtube.com/watch?v=sUipgKdTi_k]

This film is excellent and this is the first best vampire film I watched so far. Usually I do not prefer watching vampire films but this film was pretty good. Rating is 9/10. Colin is in this so as the character in Doctor Who :)

Hey there !

Didn't see Fright Night yet, but I've seen Immortals.

It is not as good as I expected, just gore.... 300 was 100 times better ; o

Raumy - November 27, 2011, 3:26 pm

i really didn't like immortals all that much u'd agree that 300 is way better

Fright Night really wasn't to bad though i like the ending

General Stalin ? - November 27, 2011, 3:54 pm

Yeah I thought Immortals was going to be intense and awesome action.

But it turned out to be a bad storyline :P

Fright Night is something new and it had better actors :)

Fright Night was a cool film.

Also watch the film called 'Underworld: Rise of the Lycans' there are other parts. All about vampires and werewolves and lycan (human mixed with werewolf).
