Hi Everybody,

As many people know, I'm a professional internet marketer and recently decided to launch a forum revealing some of my marketing techniques.

I need the forum to get a quick boost so I decided to make this contest :). Simply register an account at [Genuine Marketing](#) and make 15 posts to earn \$1 or 75 posts for \$5.

Once you've made 15 posts (or 55 posts), post your username and PayPal email address here and I'll send you \$1 (or \$5, depending on how many posts you obtain) :). It's as simple as that.

Thanks!

Proof of payments already made:

[img]<http://www.guinemarketing.net/images/payments2.png>[img]

*A minimum of 3 threads must be contributed in order to cash out \$1 and a minimum of 10 threads must be contributed in order to cash out \$5.

Your posts were of terrible quality and lacked a lot. Especially a thread of yours. In addition, you copied and pasted a lot of posts which will not be tolerated. Sorry, I will not payout to users like you.

Very good forum. I wanted to get my 15 in but I see my name is in the latest posts for a lot of them. I will holdback today :P,]

One question: If I get 15 posts and you pay me. Then later I get 65 posts, do I get the extra \$4? ...or do I have to choose one or the other when "cashing in"

Only one cash out is available to every user. So you would have to cash out 75 posts at once.

Thank you for the pleasant comments about Genuine Marketing.

As many people know, I'm a professional internet marketer and recently decided to launch a forum revealing some of my marketing techniques.

I need the forum to get a quick boost so I decided to make this contest :). Simply register an account at [Genuine Marketing](#) and make 15 posts to earn \$1 or 75 posts for \$5.

Once you've made 15 posts (or 55 posts), post your username and PayPal email address here and I'll send you \$1 (or \$5, depending on how many posts you obtain) :). It's as simple as that.

Thanks! (Dec 7, 2011 01:31 PM)steelmob Wrote: [\[CITE\]](#) Your posts were of terrible quality and lacked a lot. Especially a thread of yours.
