Nice work! :D

oLupa - January 29, 2012, 4:16 pm

can you please me help with my port forwarding PLEASE i beg of you???anyone help me?

BIRDIE13 - January 29, 2012, 4:24 pm

I would love to get help by you!

The only problem i have is port forwarding. Never done it before and can't find any guides to my

router, but it shoudn't be that hard.

If you have time, i'd like some help to setup my RAT correctly to!

I'm currently waiting for my L33t, but any help would be appreciated!

Thanks
/BIRDIE13
