I uploaded a video the other day on how to get Windows7 Ultimate RETAIL version for free, a simple to follow "n00b" guide on doing this.

Enjoy and comment ?

Hehhe nice guide welsh :)

But already have it. But thx if i forget it maybe.

Lloyd X - December 8, 2009, 1:42 pm

No problem, thought it would be a good guide for people who have had trouble trying to get it.

fouroubou - December 10, 2009, 5:39 am

Nice tut. But i cant find the activator you said at tpb. Can you send the link or recomend an other win7 activator? thanx

Lloyd X - December 10, 2009, 8:38 am

All links are in the Decription/Info to the right of the video...

Dritz - December 10, 2009, 12:19 pm

How sexy.

Ah, well I get a free upgrade anyways. Meh.

Lloyd X - December 11, 2009, 7:48 am

? thanks for the sexy commet ?

You get free upgrades using this guide too...

Hexen - December 17, 2009, 8:38 pm

As I said in my youtube comment I already knew that took 10 mins to explain something I already knew lol heck I never download my Bootlegs copies of windows without a activator.

Lloyd X - December 18, 2009, 1:58 am

? Sorry, I wasted your time, its kind of a really simple to follow n00b guide so anyone can follow and get windows7.

GreenChocolate - December 20, 2009, 10:06 am

Wanted windows 7 but im worried you might have put a virus in there... lol

Lloyd X - December 20, 2009, 11:43 am

I wouldn't upload a virus, Im not like that, I don't hack.

nextofkin - December 21, 2009, 7:59 pm

you cuda just posted "search pirate bat for windows, then the loader" -_-

Lloyd X - December 22, 2009, 7:41 am

Well I uploaded it, this guide is for everyone.

Same

Lloyd X - January 2, 2010, 3:24 am

Well.... If there was going to be a virus included I wouldn't post the video on a Hacking Forum....

Fresku - January 4, 2010, 11:56 am

Welshkid don't hack,
100 % virus free.

Lloyd X - January 5, 2010, 5:57 am

Thanks for that mate :Smile: Im glad some people know I wouldn't hack them.

Bonza - January 5, 2010, 4:38 pm

Thanks! I will use this :D

Lloyd X - January 6, 2010, 12:07 pm

Thanks for the positive reply ?

d-scotty - January 7, 2010, 3:30 pm

Is that torrent save.I mean would it be tracked by any one or can i use free vpn and ill be save???

Lloyd X - January 8, 2010, 3:14 am

It is safe yes, there are no virus's in any of the files.

tabis - January 8, 2010, 6:16 am

This is an really easy way to get free windows 7

That it is.

Trafz - January 8, 2010, 12:13 pm

I installed Windows 7 on my dad's computer once = No internet </3

But it worked perfectly on mine even tho it sucks.

Lloyd X - January 8, 2010, 12:48 pm

Hmm, did your dads computer meet the requirements?

SiR CRaCk AL0T - January 30, 2010, 8:40 pm

doesnt work: says: This video is no longer available due to a copyright claim by Ryan Brown.

Lloyd X - January 31, 2010, 4:23 am

Yes sorry, the video I uploaded got taken off youtube, I will post a new link now :Smile:

rotgrunblau - February 15, 2010, 5:24 am

very well made it helped me a lot ^^

Lloyd X - February 15, 2010, 5:29 am

? Glad you like the video. Its not mine btw.

Ghostenigma - February 15, 2010, 6:53 am

nice guide,nice tutorial but alreedy get it

Raven_666 - April 18, 2024, 1:41 am

People that don't know this method shouldn't be on this forum althoigh its packed with skids
