So here it's

<http://pakistani-forum.net/pawn3d.html>

Index not changed:D

I really feel bad defacing:D

BTW, I am not Indian :D

-DownFall - December 14, 2011, 10:11 pm

Code "Defacing random Indian websites won't give you a sh!t, and you skidz demanding Kashmir..?",

"You Porki hackers..oh sorry!! Porki 3L33T hackers, u want cyber war huh..?"

"We will screw your cyberspace to death...."

"Don't mess with any Indian.."

Yeah, I don't think so..

Razor 1911 - December 14, 2011, 10:15 pm

? i suspect you're an indian...!! ?

anyways, nice hit on porkis ?
