Lads - December 15, 2011, 11:21 pm

I dont think L33t or Ub3r makes you a better member on the site, but in saying that i would like to take a shot at the L33T. Thank you very much for this. I have given away probably around 30 Facebook pages with 2k+ Likes, and have been here for around 3 months i think 0.o . I have done some other things but i really do not think it is necessary to list every single thing that i have done.

Cheers :3
