Thread: [Spreading System VIRAL Ideas \[All costumers are welcome to post ideas\]](#)

Exal - December 16, 2011, 11:25 am

I am the seller of Spreading System and I am working on new updates. At last version some users were complaining for the idea of JUSTIN BIEBER video, they want something more attractive to go viral, So I am asking from all users to post some attractive ideas to go viral as much as possible, it must contain a video, thats all what I am asking to include in the idea, If the best idea its COOL Maiby I will give him a copy of Spreading System and believe me, the current update its fucking coooool

Idk, Justin bieber spreading seems like a great idea, if you're a pedophile.

JustinH - December 16, 2011, 11:33 am

1 things is a question,

Is this a program or is it a service ?

Lmfao, totally!

One spreading method is that you use a persons facebook account, wich should have 2,5k friends or whatever. A popular girl that you know irl works best, then you post a Java drive by link from her facebook and type "Who the hell created a webpage about me? seriously." And BAMM! ?

Your welcome ?

God - December 16, 2011, 11:41 am

Christmas songs ??

tell me if its a good idea :)

50GTB - December 16, 2011, 11:41 am

Seriously what kind of spreading system do you own because it sounds like you want some niches for your self to earn no offence

oleemil51666 - December 16, 2011, 11:42 am

maybe something like take this lollipop. <http://www.takethislollipop.com/>

legendxzero3 - December 16, 2011, 3:39 pm

Fake own3d.tv javadrive by with integrated silent driveby for double infection rate! =D would be hella sick and i'd pay up to 50\$ for something like that

You mean \$500 right? Assuming it's a typo.

Exal - December 17, 2011, 1:21 pm

The system its used to spread viruses, and yes I am asking for a NICHE to go viral as much as posible, but I dont wanna use it for my self to earn money LOL

Penis. - December 17, 2011, 3:01 pm

Wifi - Lol wtf?

Lan - Won't work, as you need an exploit to execute the file

MSN - SendKeys? Or Hooking MSN?

Skype - SendKeys? Or .vbs file?

RAR - Alright

EXE - Lol? Wtf?

USB - AutoRun.INF won't work, you need the .lnk exploit.

F16™ - December 18, 2011, 4:57 am

hmm Exal i think justin bieber Video's Idea is good attractive :) seriously

we r waiting for new Updates

Best of luck :) Bro ?

Sidious - December 18, 2011, 8:03 am

It would be good if we could see the system in action from the point of view of someone who is being infected, in order for us to come up with an attractive niche.

In fact, that would be a good idea anyway. I like to know what I am buying. :)

needitbadly - December 18, 2011, 10:10 am

is "www.spreadingsystem.net" is offline? or it is just for me!

CyberKore - December 20, 2011, 11:00 am

Nothing is more attractive than

-a celebrity sex scandal video

-Leaked sex tape (similar or totally equal to above lol)

-Girls caught doing something on cam

-(for girls) Justin b. Leaked naked video or something like this.

-(For girls and guys) Learn how to understand if your boy/girl is cheating you

-First Real working Xrays Glasses

PS. i paid you 3 days ago, can i have my stuffs?

Thenuker - December 21, 2011, 12:16 pm

I also paid Friday last week but never got my stuff up to now. This is bad

say - December 21, 2011, 12:55 pm

Facebook would be number 1 if u spread a jdb as "lol guys heres a video of me fighting"

Pirate - December 24, 2011, 9:04 am

I'm not an costumer of this cool product but I would love to give some suggestions.

Free Mafia Wars Items or Zynga Poker Chips would get much more attraction. Around 5 million people play Zynga games and this would attract them a lot.

Go0gle - December 24, 2011, 9:45 am

1. Finally 500 Zynga credits/Coins for New Year Celebrations.
2. Rebecca Black Again !! (Recommended)
3. Tiger ripping the man into 2 pieces
4. Get your man in 2 easy steps , Works Anytime

these are the good topics to go viral. Rebecca black will be tooo good
