Thread: [Won a Modern Warfare 3 Tourney and Won 100\\$:D](#)

Sir - December 17, 2011, 5:41 pm

Today me and my friend scooped two random kids at Gamer's Paradise in Paducah, Kentucky and went undefeated through 12 games to win the tournament and win 100\$ each.

I know you guys probably don't care, but I am pretty happy about it.

iFaTaLiTy - December 17, 2011, 5:41 pm

nice man , how much was the entry fee ?

Sir - December 17, 2011, 5:48 pm

entry fee was 5\$ per person. and I didn't even pay my entry fee because I had a gift certificate for gamers paradise, so i used that for a free entry.

thanks man. me and my friend had to carry the two randoms we scooped. we figured they were having an FFA, Doubles and a 4's tourney, but apparently it was just 4s so we had to grab two from a crowd.

We did however ask the Manager of Events at Gamers Paradise if he was hosting any Halo tournaments anytime soon, and he said "Yes, but we don't know which Halo to use for the tournament," and I suggested Halo 3 and he accepted it. So next I'm gonna go win the Halo 3 tourney. Which will most likely have Halo: Anniversary as a prize. or cash.

Congratulations, don't hear about many of these within the UK and congratulations on winning \$100. Do you know what you're going to spend your winnings on yet?

Beehzy - December 17, 2011, 6:34 pm

What do you mean by scoped, I feel stupid for asking this.

Normally mini tournaments are held by pubs in the UK mate. I've won a few Fifa ones, it's more than likely football games though for obvious reasons.

Congratulations on winning the tournament.

Who knows, if you played well in that, you might be invited to more and maybe you'll get sponsored ;3!

the tournament was 4 hours long. 100\$ in 4 hours is pretty good.

CyanogenMod - December 18, 2011, 6:41 pm

Nice work bro ;-) Very well done good to hear your tourney went well

Sir - December 18, 2011, 9:23 pm

Thank You All Very Much. I had a lot of fun in the tournament. If anyone lives near Paducah, Kentucky, there will be a Halo 3 tournament being hosted at Gamer's Paradise in January 2012.

Balkan#1 - December 19, 2011, 10:31 am

Sir - December 19, 2011, 10:33 am

D?p?aved™ - December 19, 2011, 1:34 pm

Nice job. My team went to a local tourney for MW2 and won \$100 each as well. Such a great feeling when you win.

Sir - December 19, 2011, 1:54 pm

I know its funny cause honestly I thought we were gonna lose, but we destroyed everyone lol.

Exactly what we thought. There was one player who couldn't make it so I replaced him and I'm really good at MW2 but the other guy was a bit better and they were nervous that we might lose plus I don't play/own turtle beaches so they were really nervous about that but I don't need them :P

Sir - December 19, 2011, 2:05 pm

Yeah, me and my friend were the only 2 people that brought turtle beaches lol i was sporting the classic x1's :D
