I was just about to post a thread, looks cool.
Good job who ever made it.

That's because it got reported and Staff removed it since it was LQ.
Being first doesn't matter.

I think it looks really good. Good job whomever.

Qwazz - December 18, 2011, 1:14 pm

Is there really a need for this type of thread? We can all see the banner.

I know right? We all see it. No need to tell us. ???

But TBH, the opinions are kind of obvious. I mean, some will say, I like it, others will say, I don't like it.

I don't think it deserves a thread and it doesn't need a big discussion.

I shat my pance when I came on, I didn't realise it was a Christmas banner and thought that someone had hacked the site.

Omni actually prefers those threads for feedback. Whenever someone makes a thread like this and they close it omni sometimes reopens it for feedback.

It's alright, there are some flaws in it though, but I don't look at the banner 24/7 anyways lol.
