im interested in this i would like some cpanels and stuff. thanks bro:)

zer0pwn - December 18, 2011, 8:08 pm

I'm interested, great job by the way!

I'm not interested in defacing, I'd definitely like to check it out though!

If you read the OP it says "I do not want this site defaced,(visit the site to see why) i decided to give Hosting capabilities to Uber/Leet members with positive +rep and decent post count and willing to share and not remove content from other members "
