Thread: [BF3 Origin gift key & Steam gift key](#)

I'll buy a BF3 Limit Edition gift key for 12\$ for Origin.

Also if you have Steam gift keys, I will buy that too!

Rules;

1. I will NEVER go first.
2. I will only be paying with PayPal, and I'll send it as gift.

Post a comment, then I will reply, and PM you! :)

You get some extra guns and you don't have to pay for the expansion
