Thread: [POW3R Informational Thread](#)

POW3R

Opening - As many of you know, [Omniscient](#) declared that he is considering adding a new usergroup in the next 2-3 weeks. It is not 100% positive. You can read his announcement [here](#). There seems to be a lot of questions about it, so this thread should clear them up. I will update this with every question that is asked.

Usergroup - In his announcement [Omniscient](#) said that the new group "POW3R," would be a secondary usergroup. To clarify, you will NOT be able to display this userbar under your name in posts. Below is an example of a secondary usergroup.

What is a secondary usergroup? A secondary usergroup is a group you are apart of, though it is not displayed anywhere except your profile. The userbar under your name is known as your primary usergroup. POW3R WILL have its own userbar but it will only be visible on your profile.

Spoiler ([Click to View](#))[img]http://img84.imageshack.us/img84/4366/secondaryk.png[/img]

Requirements - As of now, requirements are unknown, however following is known. ANY member can purchase POW3R. You don't need to be L33T or UB3R.

You will not have to purchase L33T or UB3R to purchase POW3R.

A payment of \$10 must be made through Liberty Reserve

Benefits - Below you will find a list of benefits per usergroup.

Nice post.

Not a problem. The same questions were asked over and over, so I answered them all in one place.
I will update OP when additional questions are asked.

What's missing? I have an entire section dedicated to benefits.

Not yet. In OP I stated that Omni plans to implement this in the next 2-3 weeks. Get that LR ready anyway!

Thanks! ?

I plan on offering a service for those who don't want to exchange PayPal for Liberty Reserve, or don't have a Liberty Reserve.

The Milkshake Man - December 19, 2011, 12:52 pm

Nice to see it's official. I'll probably buy :) Thanks.

Reread OP - I think you missed something.

Nice! Can't wait for the service! You will help lots of people! ?

Look me up in a few weeks. I'll be offering a service for people just like you. It's not a primary usergroup because it doesn't have enough benefits to warrant the trouble of making it one.

I think people will abuse the rep power, but that is my opinion

Just another reason [this](#) section will come in handy.

Meat - December 19, 2011, 1:06 pm

I got it when omniscient explained it the second time.

At first it was kinda confusing, I'd be interested to buy it as soon as i get upgraded to l33t and I have an exchanger to get 10\$ lr.

Mr.Steven - December 19, 2011, 1:09 pm

I was looking for that information before.

Thanks for posting this Michael Westen!

I haven't finalized it but it will involve me purchasing POW3R for people without LR.

Shh. He didn't. I'm hoping he doesn't see it. If he does, it's the only thread about POW3R right now. He just closed another one of my threads.

Informational thread is Informational. :)

Nice work Micheal.
