Thread: [Collection of Crypter sources](#)

Neel - December 20, 2011, 6:12 am

I found a massive collection of crypter sources, a lot of them are in Delphi but I think there are some in C++. There are also executables so you wont have to build your own crypter. I also have a RAT source, if you would want to build your own remote administration tool.

[/sJEen4\]Download crypters](#)

[Download RAT](#)

Enjoy ?

Market - December 20, 2011, 6:51 am

Awesome <3 thanks gonna test the sources later on tomorow <3
