This time its a bit different. I usually create contests were Youtube views, likes and so on is the prize.

But since its christmas then I will give some little money.

Rules:

Atleast 100 Posts

You must not be in red (reputation)

If you post and dont meet these requirements then I will report your post as LQ because then you prove that you are LQ.

Prize:

\$5 Alertpay.

How the contest will be going:

You people will just have to reply to the thread.

At christmas eve (Saturday at 8 PM. GMT+1) I will choose a winner with random.org

If there is more than 30 people which participate I will choose 2 winners. If not then I will create another contest 2 days before new year and that will be a new year contest.

Good luck to all which participate.
