I just finished off the 2*\$5 contest so thought I would make an Youtube contest this time.

Rules:

Rules are simple, you just need to read this thread. And you need to meet the requirements.

Requirements:

You must not be in red. I dont care how much you are above 0 or if you are at 0 just not red.

You need to have a post count on atleast 50 posts.

No other requirements, these are only to filter some leachers.

Prizes:

There will be 3 prizes 1 big and 2 which is exactly the same.

1st prize will be 2000 vagex credits allocated on a video.

2nd and 3rd prize are 1000 vagex credits allocated on a video.

Last time I had a contest with vagex people thought I would give them the credits. But no I will just allocate the credits on a video on your choice.

If you win I will PM you asking for a video link and what kind of stuff you want the credits used on. Likes, favorites and views.

How to participate:

You just need to reply to this thread. Saying that you want to be in the contest. Dont pick numbers.

This contest will be running until Wednesday 8 PM GMT+1.

Winner will be chosen with Random.org

BTW if you think I will trick you then leave. I have never maked a false contest.
