Thread: [Unofficial HF Christmas Banner](#)

Warbiest - December 14, 2009, 8:10 am

Since it's christmas soon, roughly in a week I thought I'd make a HF Christmas banner thread.

Basiclly everyone can design their own Banner's using the current HF banner:

[img]http://img.hackforums.net/images/blackreign/logo.jpg[/img]

Just to get everyone's creativity to shine :)

*This thread has nothing to do with Omni, it isn't related to him in any way.

But there is of course always the possibility, that he likes a banner, that someone might create and will use it as the HF christmas banner, though that is all up to Omni himself. THus the reason it's an unofficial HF christmas banner thread. ?

This thread is all about having fun, being creative, getting HF into the christmas spirit and seeing what other members created :)

To get this thread going, here's mine:

Peace out. ?

iBruteforce - December 14, 2009, 8:11 am

You should also suggest that in the announcements section. I think it would be used.

SIM-63814 - December 14, 2009, 8:11 am

Great idea. Maybe I make sth too. However that's yours is awesome! :D

Warbiest - December 14, 2009, 8:12 am

And damn! Your friking fast mate! ^^

Theref - December 14, 2009, 8:12 am

iBruteforce - December 14, 2009, 8:13 am

Well, not this exact thread. Just a thread saying you made that, and are suggesting that it be the Christmas banner.

dunlop03 - December 14, 2009, 8:15 am

TheDoctor - December 14, 2009, 8:16 am

Well done ?

SIM-63814 - December 14, 2009, 8:16 am

Then you will get your GFX award that you waiting so much with you hearth open?

SiZiF believes in you ?

Warbiest - December 14, 2009, 8:19 am

Thank's guys :)
iBf thank's for your suggestion, but I'm sure Omni will find this thread :D
I wouldn't know what to write lol and it would just make me seem in a way an ego.
And well this was really just created for the fun :)
And if Omni finds this thread and uses my banner then I'm even happier. ^^

nicksaban1 - December 14, 2009, 8:21 am

i like it, but i dont know about the santa, maybe santa in black? lol

DaVoiDiot - December 14, 2009, 8:51 am

ppsssst, tips:
If you start a contest, don't make the first entry so damn good.
Now everyone thinks that they've got no chance...

Nice by the way, I'd like to see variety in HF but with the same feeling.

[img]http://i433.photobucket.com/albums/qq56/Warbiest/ChristmasBanner.png[/img]
Should be used!

KnobMoinster - December 14, 2009, 8:57 am

cool idea i may have a stab at it later.

Well I guess that'd be unique, never seen santa in black >.>

Thank's DaVooDoo :)
Can't really call it a contest though, as there's no prize :P

KILLZa
Cool, hopefully more will join.

SIM-82498 - December 14, 2009, 9:28 am

Wow it looks great. It gives HF a little Christmas feeling. I hope Omni takes this into consideration.

hat? id prefer white, but black would look cool. or just regular santa colors w/ a black/white/grey hat?

Warbiest - December 14, 2009, 9:55 am

Man your mean...

Why didn't you just say;

To get this thread going, here's the best banner anyone probably wil make.

Well this isn't a contest in any way.

It's actually just for the fun of it and to add some Christmas spirit to the gfx section as well. It's not who creates the best banner, but more to see what members will do with the banner in their own creative way.

Sir Neko - December 14, 2009, 10:52 am

Like I said in MSN, that sig is beast Warbiest. Should def. be used.

SIM-82498 - December 14, 2009, 10:53 am

You should make one for all the seasons ?

cobija - December 14, 2009, 4:24 pm

I like it as well. Honestly, post it in announcements as iBF said and omni will see it in minutes. I rep'd you for it, because I like christmas and i thought it was perfect ?

Warbiest - December 14, 2009, 7:42 pm

Thank you everybody :)

Quote:bit to much snow if you ask me...and why no reindeer
I did add them, but it was too much and I erased them again, I might do a second version of the banner when I get home.
Or you can create one as well, if you want.

SILO - December 14, 2009, 8:33 pm

I like it!?

Tank_ - December 14, 2009, 8:35 pm

Love it. Very nice man, I'm no good at GFX; But you are, apparently.

:)

Devilson - December 14, 2009, 10:42 pm

I think HF should use that its an awesome banner.

cobija - December 14, 2009, 10:44 pm

ugh, all the OP has to do is post in announcements and it would be changed =\

Warbiest - December 15, 2009, 8:34 am

I will most probably post it in the announcement section as so many member's told me to do it. Even through pm's and msn.

This thread wasn't about rating if my Banner would be the HF Christmas banner, but rather that everyone creates something to get into the christmas spirit.

But thank's for all the positive feedback on my creation :)

Thirteen - December 15, 2009, 9:07 am

This should defenitly be used as the official banner! It's awesome!

Warbiest - December 15, 2009, 9:08 am

Thank you :)

I opened a thread in the Announcement section, you may go vote for it there if you want.

Theref - December 15, 2009, 9:08 am

Guys, vote for this banner here

<https://hackforums.net/showthread.php?tid=205700>

I think it deserve it ?

Warbiest - December 15, 2009, 9:24 am

THank you Theref :)

And congratz. on getting your second award :)

And Thank's iBf, for suggesting the idea of posting it in the announcement section.
Didn't know so many member's would agree.

DaVoiDiot - December 15, 2009, 12:25 pm

You made a thread in GFX section just to show off?

Just messin with you, Why don't anyone try it aswell, even if the one Warbiest made is official, you can continue making them for the reason Warbiest made this thread. Even I tried, I failed but I tried.

Why did you necropost a 1+ year old thread. In future check the post dates before posting.

Minnesota Nice - January 12, 2011, 5:13 am

Oh my god, grave dig much? We already had Christmas.
