Omniscient - December 14, 2009, 11:49 am

I altered the award plugin a bit to allow them to display in a PM.

Enjoy.

Edit: I just realised over the last 10 minutes I've looked like a complete retard and now Notorious trying to asslick of my posts makes it even worse.

I promised to be nice with everyone so I won't flame on you hard for the bullshit you just said.

I have been posting my cat videos and pictures from the day I joined. The award didn't exist yet back then.

Your point is invalid too.

Bye-

If this is like your old "joke" which was when that guy made a thread and he asked me to PM him and you said that this guy was me and then you said he wasn't and you were joking, I must tell you I don't laugh.

iBruteforce - December 14, 2009, 1:33 pm

No joke intended.

Ok, I believe I deserve an award, so what?

Did I post multiple times the fact that I want one? NO!

Do I state it on every post I do? NO!

If you think like that, then I can say you were crying for your militant award too, just because you nominated yourself for it.

Please leave me alone and don't comment negative on every post I make. It's totally uncool, you don't like me? Fine, just don't pay any attention to me.

Relax lad, we all know you made a thread dedicated to cats stating you want the cat award.

iBruteforce - December 14, 2009, 1:43 pm

Clearly been edited a long time ago.

Anyway, I'm done here. Nice addition Omni.

Ph1sh - December 14, 2009, 2:19 pm

Omni, just curious, do you browse the Award thread? Or do you spot people on your own?

Or do you randomly click on a member and click an award? :P

I think he just gives awards based on other posts and threads he sees.

I never requested the militant award, I requested the silver medal. I believe I got the militant award for a certain post in this section.

Asskisser..... Honestly i don't deserve any award yet because i haven't help this community enough
although i give away alot of money to members. I think i should work harder?

Theref - December 14, 2009, 7:04 pm

Ahh nice, this way everyone will know that i'm gay even in private messages ?

Nice addition ?

Omniscient - December 14, 2009, 9:17 pm

I view the thread from time to time and give awards out but I just give them out at my discretion
when I see something worthy. Only 185 awards have been given out.
