I don't know maybe, something about option 1.

Morchid - December 29, 2011, 9:57 pm

Second one has a warm feeling to it, first one makes me feel sick.

Rowdy - December 29, 2011, 10:03 pm

The first one looks like a nipple, the second looks like a rainbow. FIRST OBVIOUSLY.

I like the second one it has more pizazz to it but I wont vote I hope you both win :D

Xerotic - December 30, 2011, 9:50 pm

Good try DeMeR, but 24 hours are up and I have more votes than you. I won this one :)

BTW, I was Option 2, the rainbow looking one.
