Chloe'sCam Giveaway (Ewhore pack)

Okay, so I've sold quite allot of copy's of my E-whore package so now as a little treat I have decided to now give it away, as a sort of celebration thing for the new year.

I've recently made over \$100 using this method, so it is a good and easy way to make some money :)

This is Package 1, if you like this one you can always Buy package 2 which is filled with allot more stuff :)

So if you are interested in this giveaway just Post here and I'll PM you the link :)

Details: the package includes a website source which can easily be edited and a picture pack.
