Etheryte - December 16, 2009, 3:49 pm

Reaching 30 votes will take you forever in this section. You're better off picking a date until which the competition runs.

Conspiracy - December 16, 2009, 3:54 pm

It wont take any longer than 3 days, (which was the suggested voting period).

SIM-63814 - December 16, 2009, 3:56 pm

2nd one has better smudging, lightning and border.

SIM-82498 - December 16, 2009, 4:09 pm

Judging from the entries, I can already tell whos is whos, but I voted for the second one because of the lighting used within the render. I also like the use of colours.

Edit: Just took a re look at both signatures, and I'd also like to say that the second signature's border is really great. I can see some smudging was put into it. Great signature whoever it is. =)

Exactly what I was going to say.. No lie.

Second one is really good.

Spoderman - December 16, 2009, 4:37 pm

I voted for the second one because it runs rings around the first one.

Oh yeah, I'm going nowhere :D

Ryxa - December 16, 2009, 4:41 pm

Well, it's obvious which one I voted for.-
I'm using it now!

icyyy - December 16, 2009, 5:04 pm

Voted! good luck to both of you

iBruteforce - December 16, 2009, 5:13 pm

Fairly close, keep the votes coming.

SirBoss - December 16, 2009, 5:17 pm

I'm not sure witch one, hahaha. I like the first one but I think it should be smaller and a border. Ahhhh, ha.

????????? ???????? - December 16, 2009, 5:32 pm

Voted, second one for the win!

I wonder which is who's..
Will you tell us at the end?

askd - December 16, 2009, 5:36 pm

both are good, but the second one is more worked on my opinion.

Ph1sh - December 16, 2009, 5:38 pm

I know who's are who's :P

And I agree, the top one should be smaller and boardered.

Alpha Bruh - December 16, 2009, 6:01 pm

The first one is clearly better.

Ryxa - December 16, 2009, 6:03 pm

I should state my reasons why I love the bottom one...

1. It's smaller :p
2. It's darker colored
3. It has my name on it, obviously made for me <3

MadeX - December 16, 2009, 6:20 pm

First one. I like it very much.

Ph1sh - December 16, 2009, 6:21 pm

iBruteforce - December 16, 2009, 9:14 pm

Currently 14-24, keep voting, first to 30 wins.

Spoderman - December 16, 2009, 9:42 pm

Second one will win, I know. It's far better and it's obvious who made it ;)

KnobMoinster - December 16, 2009, 9:43 pm

ep1capple - December 17, 2009, 2:58 am

Spoderman - December 17, 2009, 3:06 am

iBF's (the second one) already won.

Black Kat - December 17, 2009, 3:40 am

Congratulations iBF!

A healthy number of votes either way, but it shows the better man.

Shame some people knew whos was whos, but hey, some people are out there to ruin others fun.

I will fight someone not so awesome next time! xD

smalienware - December 17, 2009, 3:48 am

I voted for the 2nd one.

Paradoxum - December 17, 2009, 4:23 am

I will fight someone not so awesome next time! xDNo, the signature style of the first one matched your current signature. How was I out to ruin fun?

KnobMoinster - December 17, 2009, 6:35 am

Well its clear to see who has won.

OFF topic: iam iam why are you limited?

iBruteforce - December 17, 2009, 6:39 am

Yea, I win! Final score, 21-38.

Good battle Black Kat, I thought I was going down big time when you took a 6-1 lead.

DaVoiDiot - December 17, 2009, 6:42 am

Second one looks like an everyday-signature.

First one has an ugly render and ugly giant "athena" text. But the rest was nice.

KnobMoinster - December 17, 2009, 6:45 am

lol that was a good competition.

IBF your better than i thought.

Conspiracy - December 17, 2009, 9:52 am

Congratz to IBF on winning.
