Thread: [\[WHITEHAT\] How to get ANYTHING for free \[NO DOWNLOAD\]](#)

Neel - January 2, 2012, 11:02 am

This is a simple but effective method on how to get anything for free. This can vary from Amazon gift cards to Xbox Live points. If you would like this, you need to [PM](#) me and I will reply with the method. I will not send you a survey, I won't even send you a download, just the tutorial. This is an easy method and does not require much work. This method is NOT blackhat and NOT illegal. This is all whitehat.
