Qustom - January 7, 2012, 3:55 pm

Thanks for the ebook.
BUT...

The ebook is just so cliché? I mean isn't it quite obvious that if you want a shitcash-file downloaded for you, you can either download it yourself or you can ask a friend for it.

This isn't really a method or something this is just some basic knowledge that you can say about every paid downloading site.
2/10 to rate imo.

YeZzZyEz - January 7, 2012, 8:35 pm

this sounds great! i would love this sounds awesome. thanks in advance

Also did you read the whole method? i don't think you did.
