Thread: [100 Premium .PSD Headers {Free}](#)

ROI - January 3, 2012, 8:18 pm

Please note: I own no rights to any of these .PSDs. I have downloaded them myself, and thought they were very nice.

[img]<http://speedcap.net/img/5b7b444a6bf570432c7d858907e6e641/e766a575.png>[/img]

-100 Premium Headers (great as sale signatures as well)

-126 MB

-\$80 value (apparently)

-Free

Please note: Not my download link. Internet is too slow to upload. I downloaded it from here, and it was clean for me. Scan if you are worried (even though it is .PSDs).

If requested, I will give a virus scan (Might sound like a noob, but I need a trustworthy virus scanner [Should I use AVG or an online scanner?]) On my last post, an online scanner said it was clean, but it ended up being a virus. I don't want anyone thinking I am trying to infect them).

Post and PM for the link.

STOP BEING A FUCKING ARSE AND GIVE AN LINK WITHOUT POST AND PM HERE, THIS IS AVAILABLE ON SCRIPTMAFIA -.-

ROI - January 4, 2012, 4:13 pm

What I do is ask for post and PM, do it for a while, get lazy and post the link in the thread, and the thread dies quickly. I don't want that to happen..

Some people do not know what Scriptmafia is.
