The quality of this ebook wasn't the best, but the author genuinely tried to make the ebook really good. He put in just enough information about each part for this to pass as a 6. However I believe much more information could have been provided. But he did provide you (mostly) with what you need to get started.

[img]http://img191.imageshack.us/img191/7673/easeofuse7.png[/img]

For the most part this ebook is relatively easy to use actually. However, there are a few things needed, which decrease the ease of use. And after having read the ebook carefully, it's not truly an auto pilot system, or the author never mentioned how to make it so. You're still doing the work. From my experience of having tried this out, It takes anywhere from 5 minutes to 30 minutes to fully setup, and longer if you don't the one specific requirement needed.

[img]http://img840.imageshack.us/img840/8773/layout8.png[/img]

Layout wasn't too bad. Author put a good bit of time into it. The font size is unusually big, but multiple colors were used. Paragraphs had nice formatting, and the headers and footers were covered nicely. Table of Contents made it easier to navigate.

[img]http://img220.imageshack.us/img220/1151/grammar9.png[/img]

Grammar was very good in this ebook. I saw almost no grammatical errors in this ebook. So if you can read, or know English, reading this ebook shouldn't be a problem for you or any other user.

[img]http://img830.imageshack.us/img830/6449/originality5.png[/img]

Sadly, I can't give him the originality rating he'd like. He may have found this method on his own, but again, sadly, I've seen this method before using these exact sites, but more so I've seen it with similar sites as well. It's still the same concept.

[img]http://i367.photobucket.com/albums/oo119/mistahellfire/notes.png[/img]

You did a good job author. Not sure if it's worth \$10 though. Possibly \$7. But a very nice ebook indeed.

Good luck with sales!

[img]http://img855.imageshack.us/img855/7343/quality7.png[/img]

The overall quality of this eBook was about average. Each detail that was listed was explained at an adiquette level. I felt the eBook provided enough information for the buyer to fully understand the main concept of this eBook. Although more information could have been included, but the method itself should get the buyer started off.

[img]http://img641.imageshack.us/img641/4388/easeofuse6.png[/img]

I found the ease of use to be some what simple, then difficult at the same time. The method itself requires the buyer to sign up at mutiple sites. Once everything is registered and done, it would had taken around thirty minutes. The eBook doesn't really include the full auto-pilot aspect, it requires you to pay, then continue paying to receive an increase in pay.

[img]http://img840.imageshack.us/img840/8773/layout8.png[/img]

I found the layout to be decent. It important detail was highlated, italicized, and/or colored. There was also a table of contents included which allows the buyer to direct himself to where he wants to go. The only issue I had with this portion of the review was the fact that there was no pictures for the method. The only pictures that were included were proof images.

[img]http://img220.imageshack.us/img220/1151/grammar9.png[/img]

The grammar itslef was outstanding. The only errors I found were sentence fluency or uncapitalized letters. The read itself is extremely understandable if English is your first language.

[img]http://img847.imageshack.us/img847/4037/originality6.png[/img]

I really cannot say that this eBook was completely original as it does not fully include a auto-pilotng

method. I also have never really seen something like this before.

Nice eBook overall

Work on the eBook; keep on going over your work and you will do wonders!

Good luck with sales!

Alienguy - January 20, 2012, 6:11 am

I would like to buy this . PMing you now.

ChumChum - January 20, 2012, 10:03 am

Sent the guys the ebook thanks for buying!

Xavi. - January 20, 2012, 2:04 pm

Can i know what this requires to have in order for it to work? SE? Card? Just wanna know before i buy

ChumChum - January 20, 2012, 2:17 pm

A Paypal maybe, if you want, \$3 if you want, and that's it.

ladygaming - January 20, 2012, 5:11 pm

I'm interested, tho the reviews say "The method itself requires the buyer to sign up at mutiple sites. Once everything is registered and done, it would had taken around thirty minutes. The eBook doesn't really include the full auto-pilot aspect, it requires you to pay, then continue paying to receive an increase in pay. "

So how much work is it really needed per day.. since it's really not auto pilot, or if it is, can you update your ebook with it :)

Yeah i need to know what requirements they're would be before i purchase.

ChumChum - January 21, 2012, 8:28 am

You have to restart the method every morning, takes 30 minutes, requirements are either paypal, alertpay, liberty or,credit card thats it. I provide everything in the ebook.

bebonzy09 - January 21, 2012, 3:47 pm

does it use cpa or some stuff like that? like applying or something

Lutz the Virtuoso - January 22, 2012, 9:16 am

Do u have any payment proof? Is this real or scam.?

blazer133t - January 22, 2012, 6:47 pm

dude i send you a payment of 10USD on to youe paypal 3 days ago and i havent resived a download link yet.

will you plz respond to the pm i have send you?

CayenneGTS - January 24, 2012, 1:34 am

Would love to buy this!

Pming you right now for payment details.

Curtains313 - January 24, 2012, 4:18 pm

I am interested send me your paypal please

ClickBankMonster - January 25, 2012, 12:57 am

what the hell I'll give it a try, PMing you now.

TPX - January 25, 2012, 8:48 am

I have sent you PM, please answer because I've heard the site used in this ebook, is not make the payout every 1 on month...

sobronx - January 26, 2012, 10:33 pm

Instead of trying to teach people how to make money, why don't you refund the money you scammed from me? Beware this user is a scammer & a child.

was gonna buy it till i saw these...

tehmuff1nm4n - January 31, 2012, 8:15 pm

This guy shouldn't be allowed to sell. The site doesn't pay and he already scammed a bunch of people a few weeks ago.

<https://hackforums.net/showthread.php?tid=2079060>

User should be banned and is a piece of shit, not to mention this is his 2nd account where he has been fucking people.

Curtains313 - February 2, 2012, 5:28 pm

so this site thats in the book doesnt pay?

tehmuff1nm4n - February 2, 2012, 6:00 pm

Nope, it's been proven. OP even made fake payment proofs

::Thunder:: - February 6, 2012, 5:36 pm

Lol guys. Is it still facebookpromotions.com?

If yes, than everyone knows for about a few weeks ago that the site is scam and don't pay.

bebonzy09 - February 7, 2012, 5:04 pm

chargebacked my payment to this faggot. cant believe i actually thought this would work
