I've been thinking about starting RS again. Make a great magician.

Would you, by any chance, make an exception and take in a novice that would serve for the guild and learn your ways?

I'm only about 4k exp off 85 magic, so that would only take around 20 minutes to get if I'm lazy.
Can't use magic on my slayer task so I can wait until my next one or just get it now.
