Thread: [\[Ebook\]How to make Keygens](#)

HopprJohn - January 4, 2012, 5:11 pm

Firstly, I hope you all know what a keygen is.

If you're on hackforums and you're reading this now, you probably would be knowing about it.

[Keygen](#)

So yeah, as the title suggests, I'm giving out an ebook on how to make Keygens.

NOTE:This is not an ebook that I've created. I take no credits whatsoever on the contents of this ebook.

Just found this on one of my drives and thought it would be a useful share to the community.

Y'all know the deal, post+PM to get the ebook.

PS:It ain't no shitcash or fileice. A clean Mediafire link for the love of the community.

Cheers ?

~Rooney
