Thread: [\[Update\] Mirai Nikki](#)

Yui Hirasawa - January 9, 2012, 5:00 pm

Anyone in AA still watching this?

If so, what are your thoughts?

Mine? Well, I think for one, Yuno is the most creepiest Girl, Ever.

Spoiler [\(Click to View\)](#)

I mean, what girl sits in underwear on a throne whilst killing people?

Not to mention, completely drugging out Poor old Yukki.

(End of Episode 13).

Who is your favourite to win the Game?

No spoilers from the Manga please.

- Yui

SavageBoys - January 9, 2012, 5:14 pm

Waiting for it to finish, already read the manga and sidestorys.

Alot of knowledge about it then I see. :3

I'm refraining from reading the manga, as I feel it would be better If I don't know what happens in the animation.

I usually only read manga when an Anime hasn't been created/The Anime didn't cover/finish the story.

m4n1Ac - January 9, 2012, 7:45 pm

Yuno is the most badass female anime character ever.

SavageBoys - January 9, 2012, 8:16 pm

Yeah I read it before I found out that I series was being released.

I wouldn't have read it if I had known, now I'm not all that enthused to watch it.

YERANUK - January 10, 2012, 1:22 am

I just want to know more about Yuno, otherwise I don't like the anime.

Marshmellow - January 10, 2012, 2:55 am

I really enjoy it.

Recommended it to a bunch of friends when I first saw it.

Spoiler ([Click to View](#))

I think the protagonist will win, like always. Yuno will probably die along the way.

Yui Hirasawa - January 10, 2012, 3:33 am

It's a great anime,

I'm enjoying it alot.

Though Yuno is one crazy yundere.

Marshmellow - January 10, 2012, 6:02 am

It's probably weird that I don't find her disturbing at all then.

A friend of mine claimed it gave him nightmares, and blamed me for recommending it.

Ice Queen - January 10, 2012, 6:03 am

I will watch it when I have the time. it seems interesting.

Yuno just annoys me for some reason..., sure she's cute and such, but I can't stand her voice >w<"

Marshmellow - January 10, 2012, 6:28 am

I felt the same about Misa from Death Note. Didn't like her voice, found her a bit annoying.

Don't mind Yuno though.

And I see how it might scare someone, as it get's a bit creepy at times.

The only creepy thing i've seen so far would be the Opening video. xD

None the less, nice having a little talk with you,
Alice.

Marshmellow - January 10, 2012, 6:41 am

Meh, I didn't find HoTD all that creepy.
HoTD was creepy more in a gory sense.

Yuno is creepy in the sense of insanity.

Still, I find HoTD creepier as well, as I'm not really put off by Yuno.

Yui Hirasawa - January 16, 2012, 8:49 am

Just watched Episode 14.
Thoughts of this episode anyone?

Spoiler ([Click to View](#))

If you have read the manga, please don't spoil the story.

> Do you think Yuno now hates Yukii, or is it just another reason for her to think everyone else has made him hate her (so she must kill everyone else).

> What do you think of the new "8th"?

> What do you think is going to happen in the next episode?

Please remember to use spoiler tags!

HellsCrypt - January 16, 2012, 6:03 pm

Omg I love Yuno even though she creeps the shit out of me. :O Although if it was me I probably would had blown her brains out. xDDD Excuse my language but, that bitch is nuts!

Episode 14!

Spoiler ([Click to View](#))

I think now were going to start see her going more insane with Yukii and eventually drive her too kill him I also think the third skull is the last guy she obsessed over. (Keep in mind I'm just inferring and I've never read the manga.)

Also I think Yukii only keeps Yuno around sense well she keeps him safe and while for now she'll die for now but like The escape diary owner said (idk the #) she's going to go insane and try to kill him. who knows lets wait and watch....

Yui Hirasawa - January 16, 2012, 6:47 pm

Ooo

Spoiler ([Click to View](#))

Could you please give me the episode where the escape diary says that? I never picked it up.

Also, The skull idea could work, that's slightly creepy aswell though.
Hope she doesn't try to kill poor Yukki :c
He's going through enough.
We will see what happens.
Let's just hope for the best.

I have a feeling she's going to go and try to kill every other diary owner, before confronting Yukki and the others again.
In then which, I have no idea.

I hope for the best, and that Yuno doesn't go killing everyone of Yukki's friends.

Marshmellow - January 16, 2012, 11:42 pm

Spoiler ([Click to View](#)) I have a feeling that the very episode Yuno dies, Yuki turns into the ultimate badass and kills off the rest ;P

Yui Hirasawa - January 16, 2012, 11:48 pm

That would be brutal and awesome.

Spoiler ([Click to View](#))

I still know deep down, Yukki has regrets though, When he was in the car he looks down.

I'm sure something will happen so that Stalker x Little Boy = Successful Waifu Relationship!

Marshmellow - January 17, 2012, 12:25 am

Meeeee, I still think I'm right. Seems like the likeliest option. The situation and dynamics kind of call for it.

Yui Hirasawa - January 17, 2012, 3:29 am

I hope that's not the truth ;w;

It's a fake spoiler.

Oh please, at least try to use spoilers properly.

Not everyone needs to read the manga before watching an anime, and thinking along the lines of Quote:"If u hasnt red manga than u dont deserve 2 enjoy the animu XD XD XD XD"
is just plainly stupid.

If you simply don't care about others though, and want to antagonize them, that's not very nice either.

Either way, assholish behaviour.

Yui Hirasawa - January 23, 2012, 9:26 pm

The new episode is troubling;

Spoiler ([Click to View](#))

Do you think Yuno is going to be alright?

My views on her changed a bit in this episode, I don't see her as a crazy bitch with no feelings anymore.

What do you think is going to happen to the Seventh Couple?

Marshmellow - January 23, 2012, 10:48 pm

My views haven't changed at all.

Spoiler ([Click to View](#))

I predicted that she'd come and try to save the day from the very moment they decided to wait for the enemy and ambush them

I liked this episode. One step closer to Yukki manning the fuck up and undergoing some character development to grow some hair on his chest. The anime has been building up to that for so long, and if they don't make him a badass at some point, I might just rage.

Kind of cool that Seventh pretended to be apprentice diary holders to trick them though ;P

They were very smart with that plan, yes.

Also, I have a good feeling Yukki will man the fuck up anyway.

After he got that talking to, and seeing what he caused, doing nothing,

It's about time something happens.

Also, I hope Yuno is fine ;w;.

Just watched the latest episode.

Wow..

Spoiler ([Click to View](#))

- First time i've cried in this series. The ending made me so sad.. with what happened to the couple.
- Yuno appeared to be the most normal I have ever seen her, after Yukki told her to practically "Get Real"
- What the fuck..? His dad.. I knew I had doubts about him :|, What an asshole. I hope he dies.
- This was a huge influential point so far this season, in my opinion.

Yuno being the most normal I've ever seen.

Can't wait to hear all your responses to it.

So I'm fine.

On-Going animes entertain me and keep me ready for the next episode.
I like the joy of the wait, other than instantly pleasing my curiosity for the next episode.

Marshmellow - February 6, 2012, 4:56 am

Yeah.

It makes every new episode ten times better.

Tasemu - February 6, 2012, 7:30 am

Yui Hirasawa - February 6, 2012, 4:37 pm

Spoiler ([Click to View](#))

100% agreed, I didn't find them to be bad people, they were just trying to make themselves have a nice future together. Exactly as Yuno and Yukki are doing.

Oh well... That episode was intense, and I'm still majourly pissed off at yukki's dad.

Marshmellow - February 6, 2012, 10:50 pm

Spoiler ([Click to View](#))

Well, Yukki's dad turning out to be a massive dick wasn't exactly surprising, was it?
I really like how we get everyone's background story.
Also, if seventh had kept on fighting, he could have become god, then resurrected his girlfriend.
You can do that when you're omnipotent, right?

Tasemu - February 7, 2012, 1:19 am

Spoiler ([Click to View](#)) Yeah you could but i don't think he would have much of a chance taking on Yuno, escaping the falling tower and then killing the rest of the participants with a metal pole stuck through him. He knew it was over.

Marshmellow - February 7, 2012, 1:52 am

Well, he had a small chance.

Though I suppose his choice was the best one anyway.

With the death of Yukkis mom I think now he's finally going to enter Physio Killer cyborg mode and be like of like # two wanting to get revenge on his mother which was all he had left to hold on too that helped him keep his sanity aside from his friends. I think though now the pace if finally going to start to pick up and the dead bodies will start rolling in.

HoTD? If anything, it had suspense - but it wasn't even made to be scary?

I'm pretty sure HoTD was meant to be at least creepy. It was a bit, but not massively.

You're right, it was more suspense-filled than scary.

1. Yes. Yes it was. I love flashbacks like these ;P
2. Yuno never died. She was just locked in there for discipline.
One day she decided she'd give them a taste of their own medicine, drugged them and locked them into the cage themselves. She did not feed them, and they starved to death. Yuno never died.
3. Meh, you could see it coming
4. Aye. That was a glorious moment. I couldn't help but think "Finally! This is the point where he mans the fuck up!

Yeah. I was especially worried as my friend said literally five seconds before that "Yuno dies at the end"...

As does myself.

This has been one of my favourite watches from last year to this year.

One bad thing though is that the art has degraded a shitload, Watch the early episodes, then the new ones.

They've rushed it alot more. Smaller group of people making it perhaps?

She's pretty much what's keeping him alive.

She can rather kill her at the end, if he's going to kill her. Doing so at such an early stage would just be impractical and stupid.

EP19:

Spoiler ([Click to View](#))

It does not even matter, it's the same Yuno, Yukiteru met since the very beginning. I think that she stole the real Gasai Yuno's identity from a long time ago. Maybe when the foster parents were adopting Yuno, "Fake" Yuno killed the real Yuno before she came to the house (sounds like something like fake Yuno would do , right?). It would be more logical than a twin/clone because Yuno was shown, with the foster parents in that flash back from the earlier episode. Anyway, they were both orphans (I am assuming an, because if you watch ending song, you see a the young fakw yuno in a demolished city), so that's another reason it was feasible for fake Yuno to do what she did.

I read the manga, your pretty close, but you strayed off at some point. Twins are identical on a physical level but, not so much on a DNA level. So, you can tell where you got it wrong lol.

It's a giant spoiler. I was actually victim to that exact same thing previously. I clicked a spoiler without reading it, and suffered the terrible consequences of it. - Why did deus... "kill" Ninth in the other realm?, What would the point of that be?

Theory: To possibly make it so she no longer dies when he does? What is she "died", the for no longer being effected by the end result of the survival game, when deus dies?

- Yukki, you're a dick, I can't believe he did that, just to simply.. get through.

- Yuno, casually as creepy as ever.

- The whole town having Future Diaries? That's not a good outcome, let's hope it gets foiled.

Nah bro if you read the manga you would know it was Hammer time. If you don't feel like reading it

you can read the spoiler to see what "Yuno came to see me?" meant. Rumors vary for the next project. One is about another universe with a different set of diary users (rumor says Yukki is still one of them) another rumor is talking about the live action film and the last rumor is talking about a OVA animating the spin off manga "Mirrai Nikki Paradox" which of course stars Akise Aru :DDDD That guy is so freaking cool.

So many people went ape crazy because they believe yukki does not deserve this ending.

Spoiler ([Click to View](#)) So Yukki is just sitting for 1000 years with murumuru and all of a sudden you hear a shatter. So 3rd world yuno with a hammer breaks through time and space from the 3rd world to get 2nd world Yukki. Deus tells yukki he should become the god of 3rd world. Yukki x Yuno run off to gaze at the stars together and yukki says "There's so many people I want to meet again" Implying that he wants to see all the people that died from 2nd world. Diary users and such.

Thanks, that covered it up for me.

I've heard apparently it's going to be a live action.

Though, I'd prefer if they ended it off in the anime with an OVA or something, they shouldn't leave that last piece unanswered.

I think it was a great ending as it causes speculation of what could have happened. Thus making you want to know and appreciate the anime even more for what it is. ^^

I decided to watch the last episode to double check. There's no speculation over the ending its clearly the manga ending. Spoiler ([Click to View](#)) You clearly hear Yuno cracking a dimensional portal between space and time. They just didn't add any animation for it those bastards. ?

Yeah, I think it's a little stupid that they didn't cover up those extra 5 pages.

It wouldn't of taken long.

Yeah, I just read through this whole thread unintentionally...

Best side character ever? [\(Click to View\)](#)

Epic voice is epic.

Anyway, it was a fairly good series.

Could had done with better art/animation in my opinion, but that's subsidiary. The story was unique and entertaining, which is what matters in my case.

Spoiler [\(Click to View\)](#) As for being the biggest yandere/gire fest I've watched since Higurashi, that is definitely a factor.

So many unexpected things, it could make up a decently long list.

Funny how hard it hit me when they told us there were two Yuno's, compared to Yui who apparently figured it out beforehand :O

Makes me realize even more how dense I am..

But yeah, I have no idea what I'm writing.

Just wanted to put something in spoilertags.

Bye.
