Son Goku vs Itachi Uchiwa

If Itachi attack Goku. Who will win ?

Yui Hirasawa - January 19, 2012, 7:24 am

Goku ofcourse!

That guy's more powerful than a Old Man and his BRAN!

1nf4m0us - January 19, 2012, 7:25 am

Goku of course since itachi was killed. lol an itachi is not powerful to tobi and madara. But Do you mean Son Goku the bijou? Son Goku in naruto or in dbz?

idk.. i mean all itachi has to do is look at goku in the eye and then he's fucked

ven0m - January 19, 2012, 8:59 am

It Uchiha btw. You can't really compare them... that like comparing different comic book heroes from different companies.

Goku is powerful

but itachi will vanish gokus every power attack with his bloody eyes

and thn black flame will come which never ends

so goku's power will be eated by black flame

Itachi FTW

Itachi wins!

One little sneek peek at his eyes, and everyone is dead, and Amaterasu will burn everything in it's path.

Woooo, Naruto Characters will always win!~

Dorsch - January 19, 2012, 12:09 pm

Goku can fight blind, he has done that.

Also, Goku can just teleport that guy into space then gtfo of there.

Plus when Goku dies he'll just be all homie with the gatekeeper and go back to earn infinitely.

By Son Goku I think he means the recently revealed name of a tailed beast in Naruto..

Yeah but I think in terms of strenght DragonBall>Everything else because almost all characters fly without problem, teleport, have super godlike speeds and shoot lazor beamz :D

if he's talking about the four tails, then Itach would win lol. any bearer of the sharingan eye can own a tailed beast

Did everyone remember goku can destroy planets easily while naruto chars can't really. Correct me if wrong

Mephisto - January 19, 2012, 11:03 pm

Itachi Uchiha beats them both. - - - - -

YERANUK - January 19, 2012, 11:53 pm

Considering all Son Goku has is strength and Itachi has his genjutsu, Itachi surely would win.

1nf4m0us - January 20, 2012, 6:18 am

goku will destroy the entire planet. Of course goku. And + his eyes can't do anything on him since he's too much powerful. Lol teleportation. Goku can even beat madara. And +Why would goku go against itachi? Since itachi and goku are both saving the world from the "Bad Guys". Itachi was killed by sasuke(Or you can say he let himself die and gave all his power to sasuke - If you read the truth about itachi and that it was a mission to kill all the uchihas). Sasuke now took itachi's eyes and wants to destroy konoha with the help of akatsuki.

Now, If you say Goku vs Kabuto, i'll go for kabuto since he can make people revive and control them. He will just revive Vegeta and all the others.

Now, Let's talk about Pain(Nagato). He destroyed konoha in one attack and he has the rinnegan. But he used a lot of chakra to do it. goku will just do a simple kamehameha and destroy the country. But nagato can take a soul just by touching someone and can absorb any attacks(But with a 5 seconds timeout) I say goku wins since he just has to throw little kamehamehas.

The nine tailed beast(kurama) will surely lose against goku. He will just do super sayans 4.

I can see the logic behind Aliens with special powers, but ninjas that know magic..?
