GiffGaff is an awesome Mobile Network, I used to use them.

Achimeda - January 27, 2012, 8:47 pm

"Note: You will need to top-up by a minimum of £10 to activate your SIM card."

AFRO - February 8, 2012, 2:24 pm

I think it's fascinating that you're still an active HackForums user.

You've been here since '06!
