You should get more vouches from people that used the ebook and actually made money from it, it makes it a lot more trustworthy.

Is the ebay method even unique?

Selling fake crap on ebay? Selling game codes on ebays?

Nope, its a very very unique black hat method I invented.

dolores - January 30, 2012, 11:27 pm

For the blackhat method does it involve us buying things on ebay or is it some sort of exploit?

You do not have to buy anything, and its not a exploit.

But I would like it better if you post question in the sales thread. :)
