Thread: [Vector Pop Art O-ren Ishii \[Kill Bill\] + Speed Art.](#)

Tasemu - January 26, 2012, 2:05 am

Made this to showcase that you dont always need to use a render and a bunch of brushes, resources and other stuff to make a nice work. Just a reference pic and some elbow grease.

Finished Piece

It looks good man.

I don't care for the weird highlights though, they hurt my eyes.

But overall you encapsulated the emotion from that part of the movie quite well. :3

Bridge - January 26, 2012, 2:14 am

I love it, although the red & green is a bit off putting.

Love the creation process.

Tasemu - January 26, 2012, 2:23 am

I guess i wanted it to be less pretty and more pop art-esque. ^^

Bridge - January 26, 2012, 2:30 am

Well you got your goal, overall all it does pop.

Valik ? - January 26, 2012, 8:26 am

This is sick.

Glad to see, im not the only one who does youtube ;p

Tasemu - January 26, 2012, 8:30 am

Speak of the devil you are the one who convinced me to re-download camtasia and add a new video to my channel. ^^

<3

<3

LOL!

You are probably the first person to get inspired from my videos :p

Ahh I was not familiar with this style.

Jibzyy - January 26, 2012, 9:10 am

watched the whole video. that is rare for me. I enjoyed it, and the result was nice. thank yu thank yu

Tasemu - January 27, 2012, 10:01 am

Cheers man, im glad you enjoyed the video. ^^

agbyoung - January 27, 2012, 12:07 pm

That's pretty nice :) You have a talent!

Tasemu - January 27, 2012, 8:36 pm

Cheers brother, im glad you like it.

And - January 28, 2012, 3:01 am

I'd like to see your make something ACTUALLY from scratch.

‘___’

Tasemu - January 28, 2012, 5:23 am

And I would like to see you make SOMETHING.
