Thread: [My rant about people who sell shit they've found online for free](#)

pr0min3nt - January 28, 2012, 12:13 pm

I fucking hate people who sell stuff, on these forums, they've found online for free.

Most of the time a simple Google search will be sufficient to not paying for it.

I've seen so many of these "LQ" assholes and that's why I've made this post...
