Sorry if this post is irrelevant, I just thought this would be a good place to share.

Pi - January 29, 2012, 2:32 pm

Congratz to suRge, harsh_0707051, Old Man Jenkins and Hoffman for achieving 25 points! That is truly awesome that you four were able to get ALL of them! Good job.

Thanks to everyone who participated in this challenge, I hope you all keep your eyes out for future challenges.

I might be slowing down over the week due to school, but I'll try to get a few up.

@SuRge, Nice job! You seem to be very good at XSS.
