Thanks for this :D checking it out now!

Drainingpower - January 28, 2012, 6:34 pm

WOW, cool, thanks for this. Great method, trying as I type.

Achimeda - January 28, 2012, 6:41 pm

I have just ordered

How long does it take to receive thier email ?

iwu - January 28, 2012, 6:42 pm

Lol, I'm still wondering how to get a .edu email.

im not quite sure lol try it :p LMFAO LMFAO

Achimeda - January 28, 2012, 6:58 pm

hey can u recheck those file, they have the same content, trust me

Suicida1_Pigeon - January 28, 2012, 7:07 pm

Has anyone had success with this yet besides the OP?

Honeydew - January 28, 2012, 7:10 pm

Well I would have tried this but I need the .edu email. Anyone know anyplace to get the for free? Also make sure to us a VPN they do log IPs.

I should not have clicked this. gave me an virus. but removed it in 2 seconds.

Barneyyz™ - February 25, 2012, 5:15 am

Does Troxin know that you're giving away his ebooks?

I remember buying the one about the gift codes.

matterlord200 - February 26, 2012, 1:30 pm

This method doesn't work anymore. Even using an .edu they don't send the gift codes until you give them money.
