Thread: [E-Whoring as we speak.](#)

Blogger - January 29, 2012, 6:36 pm

I'm e-whoring right now and it feels awesome. I've been a member of a site for years and knew it would come in handy someday. I started doing this like 10 minutes ago and have already made a few bucks. I'm charging \$5 for 20 pics. Is that good?

Really? Damn. Well someone bitched about the five bucks so I figured I would keep it at that...for now anyway. I only have a pack of 20. Waiting on more and I'll charge more when I get more pics.

iFaTaLiTy - January 29, 2012, 6:41 pm

Blogger - January 29, 2012, 6:45 pm

Thanks. I didn't want to come right out of the box asking for a ton.

irSilly - January 29, 2012, 7:01 pm

Most people ask for about \$15-\$20 for a few pics, but at least you are making something? I am going to start e-whoring soon aswell. Can you tell me what VPN you use if at all you use one?

Lol, you won't get a pedo to pay you that much for so little pics, \$5 for 20 nowadays e-whoring is realistic. It's not as easy as it used to be.

Taurine - January 30, 2012, 9:23 pm

are you guys advertising as underage or what?

Varius - January 30, 2012, 9:55 pm

jerlene you seriously should make a join.me session I would love to watch you ewhore and learn, that would probally be the start of me, I really got no clue where to go with converstations with the people I'm chatting with which makes my ewhoring fail always..

If you have some free time please make an e-whore session :)

Ok so I just made \$20 off of a guy. He paid, I turned the cam on, he wanked. After a few minutes he cancels the video call and says he wants his money back. WTF?! Whatever, it's not like he's going to win the dispute anyway. lol

[this will be my e-whore journey thread]

Hzk- - February 2, 2012, 3:38 am

he can actually win, I think its better for you to ask him to send it as Gift since it gets harder for them to dispute and you gain the full amount without paying fees, another thing you can do is ask them when they pay on paypal to add a note saying something like "i (name) payed for a virtual item which im very pleased and will not refund at any point later" well I know that gets abit wierd when you ask them for it but some guys do it anyways :P

hope that helped you, keep going (:

Blogger - February 2, 2012, 12:25 pm

He can't win. I've had a lot of disputes in the past and I know how to deal with them.
