Fully coded by me in VB.NET, except for the theme!

Features? I just tell you that It give you 50 visits per second. For the rest, try it!

inushakolla - January 30, 2012, 1:29 pm

v scans please or its a fake prograaam

fillobotto - January 30, 2012, 1:35 pm

oh forgot it, going to scan it

//too//short

Ingenuity - January 30, 2012, 1:41 pm

Yeah. You forgot the password for the archive too. Well done.

inushakolla - January 30, 2012, 1:42 pm

Vscan of the Un-rared files because if it is password protected it would not make a difference.

fillobotto - January 30, 2012, 1:46 pm

I don't want it to be secured with password

I just obfuscated it with EazObf.

Scanning now

Are you serious? How would you know? Do you have down syndrome?

fillobotto - January 30, 2012, 1:53 pm

On the first post your f**king scan :D

The MammoTh - January 30, 2012, 2:03 pm

Well done on improving our suggestion. :)

fillobotto - January 31, 2012, 6:30 am

Nobody thanks me for this work? D:

The MammoTh - January 31, 2012, 6:31 am

I think most people on here can do it there self.

[ZERO] - January 31, 2012, 6:37 am

And.... A little bit more tweaking and congrats, you have made a proxy DDoS software. I have something very similar like this, but it has some tweaks that allow me to take down websites with it.
=D

sickoryy - February 1, 2012, 6:34 am

this is the old dl... without the proxy leecher...

jmanhype - February 15, 2012, 11:31 pm

Password pleaseee

there is no password but it is password protected. wtf?!?!?1

Hyde - February 19, 2012, 8:15 am

What's the password mann?

Thanks you's !

MistaCode - February 19, 2012, 8:35 am

Nice program you have there could you explain this a little better next time so people would understand

But could i have the password for this ? Thank you in advance

TheAnonymous - February 19, 2012, 9:23 am

-.-, This looks oddly similar to my program.

Ya know, its not polite to tell people they have down syndrome... even if they really do....

Kazooo - March 27, 2012, 12:26 am

i like that theme, also it looks pretty well put together, ill take a look at it when i wake up tom
thanks for the post.

:D

toephank - March 28, 2012, 11:55 am

what's the password to the rar?

I love to try this bot of yours.

Kotei - March 28, 2012, 12:05 pm

I'm also in need of the password. :L

Fantik - March 28, 2012, 12:44 pm

I vouch this is 100% G. Shit

?

Zephin - March 29, 2012, 7:59 am

What's the password?!?!?

THanks in advance.

MistaCode - March 29, 2012, 9:31 am

whats the password bro? thanks in advance

weedov - April 8, 2012, 3:44 am

can i get the password please?

thank you
