Thread: [Free Minecraft Accounts.](#)

phybe? Jr. - January 30, 2012, 1:48 pm

Hey guys, I'm really happy right now. Uber just arrived. :D

Today I'll be giving out Minecraft accounts to any member, upgraded or not.
This is a bit different, because I usually make contests, not giveaways.

Many may be migrated accounts, so that means you can only login with minecraft.exe

I have about 50 accounts right now, Just Post here and Hit me up with a PM
If any of the accounts don't work, PM me again, and I'll send another one.
Thanks!

Once again, If the account I send you doesn't work, just tell me.
These are cracked, DON'T CHANGE PASS, AND SOME ACCOUNTS MAY BE MIGRATED.

25? I'll only give 1 account.

And it's against the rules to spam to bypass the 35 character limit.
